

## **Notice to CMS Members: Domain Name Change Effective September 20, 2024**

Dear Members,

We are excited to announce that on **September 20th 2024**, the Cooperative Memorial Society (CMS) began transitioning to a new domain name: **coopmemorial.org**. This update reflects our broader vision and commitment to serving communities beyond Calgary, emphasizing our cooperative values.

### **Why the Change?**

The new domain name, **coopmemorial.org**, aligns more closely with our identity as a cooperative organization and better represents the inclusivity and unity of our membership. While **calgarymemorial.com** has served us well, we believe this change will better reflect the spirit of collaboration and community that is at the heart of CMS.

What Does This Mean for You?

**No Action Required:** You can still access our website using the old domain, **calgarymemorial.com**, as it will automatically redirect you to **coopmemorial.org**. Your bookmarks and saved links will continue to work without interruption.

**Improved Communication:** This change ensures our online presence matches our cooperative identity and allows us to reach a wider audience while still providing the same trusted services to our members.

We appreciate your support during this transition and look forward to continuing to serve you under our new domain name.

If you have any questions or experience any issues, please don't hesitate to contact us at **admin@coopmemorial.org**.

Thank you for being a valued member of the Cooperative Memorial Society.

Sincerely,

**The CMS Team**
